

PREMIER EMBROIDERY MACHINE

Designed to Elevate your Embroidery Skills

- **Built-in Embroidery Designs, Frame Pattern Combinations, and Lettering Fonts**

Featuring an expansive library of 523 built-in embroidery designs, 140 customizable frame pattern combinations, and 26 sophisticated embroidery lettering fonts, you are empowered to create stunning, personalized masterpieces with unrivaled versatility and precision.

- **Spacious Embroidery Area**

Plenty of room to create with 240 x 360mm (9.5" x 14") embroidery area.

- **2-Point Embroidery Positioning Function with LED Pointer**

Provides precise positioning to show where the needle will drop for all your projects. Avoid mistakes and ensure every stitch lands exactly where you want it. This level of control reduces fabric waste, saves time on re-hooping or adjustment, and results in professional-quality finishes.

- **Matrix Copy**

Matrix Copy function automatically arranges repeat designs, saving fabric and time. Create multiple designs in a single hooping for greater efficiency.

- **High-End Features**

The Automatic Thread Tension and Automatic Needle Threading System make this machine easy to use, while the Color Sorting and Advanced Color Shuffling Capabilities allow you creative freedom.

- **Artspira Mobile App¹**

Unleash your creativity like never before! With the Artspira mobile app, turn your own sketches into stunning designs—ready to stitch on your machine. Dive into a world of inspiration by exploring exciting new projects and step-by-step tutorials. Bringing your artistic vision to life has never been this easy and fun!

- **My Stitch Monitor App¹**

The My Stitch Monitor app alerts you when it's time to change the thread and even when your design is finished.

- **Easy Echo and Deco-Fill**

The stippling feature on the Embroidery edit tab allows you to add decorative textures to virtually any project.

- **Crystal Clear 10.1" LCD Screen**

Effortlessly scroll through menus, navigate the crystal-clear icons, and even edit on-screen on the large 10.1" built-in high-definition LCD display.

¹Free app download and wireless connection required. Compatibility may vary by device, operating system and country. ©2025 Brother International Australia
